

## **VOLUNTEER OPPORTUNITIES**

Network Knowledge has a variety of opportunities for our members, viewers and the general public to have fun, meet people and get involved. Throughout the year, this station hosts several special events such as our Fun Time Stations, the golf scramble and local pledge drives which all help to support quality, educational programming for all citizens of west central Illinois and northeast Missouri.

To volunteer, and to help us to continue to bring entertainment and informative local and national programs to YOU, our viewers, please call 217-483-7887.

THANK YOU!
